hello there!

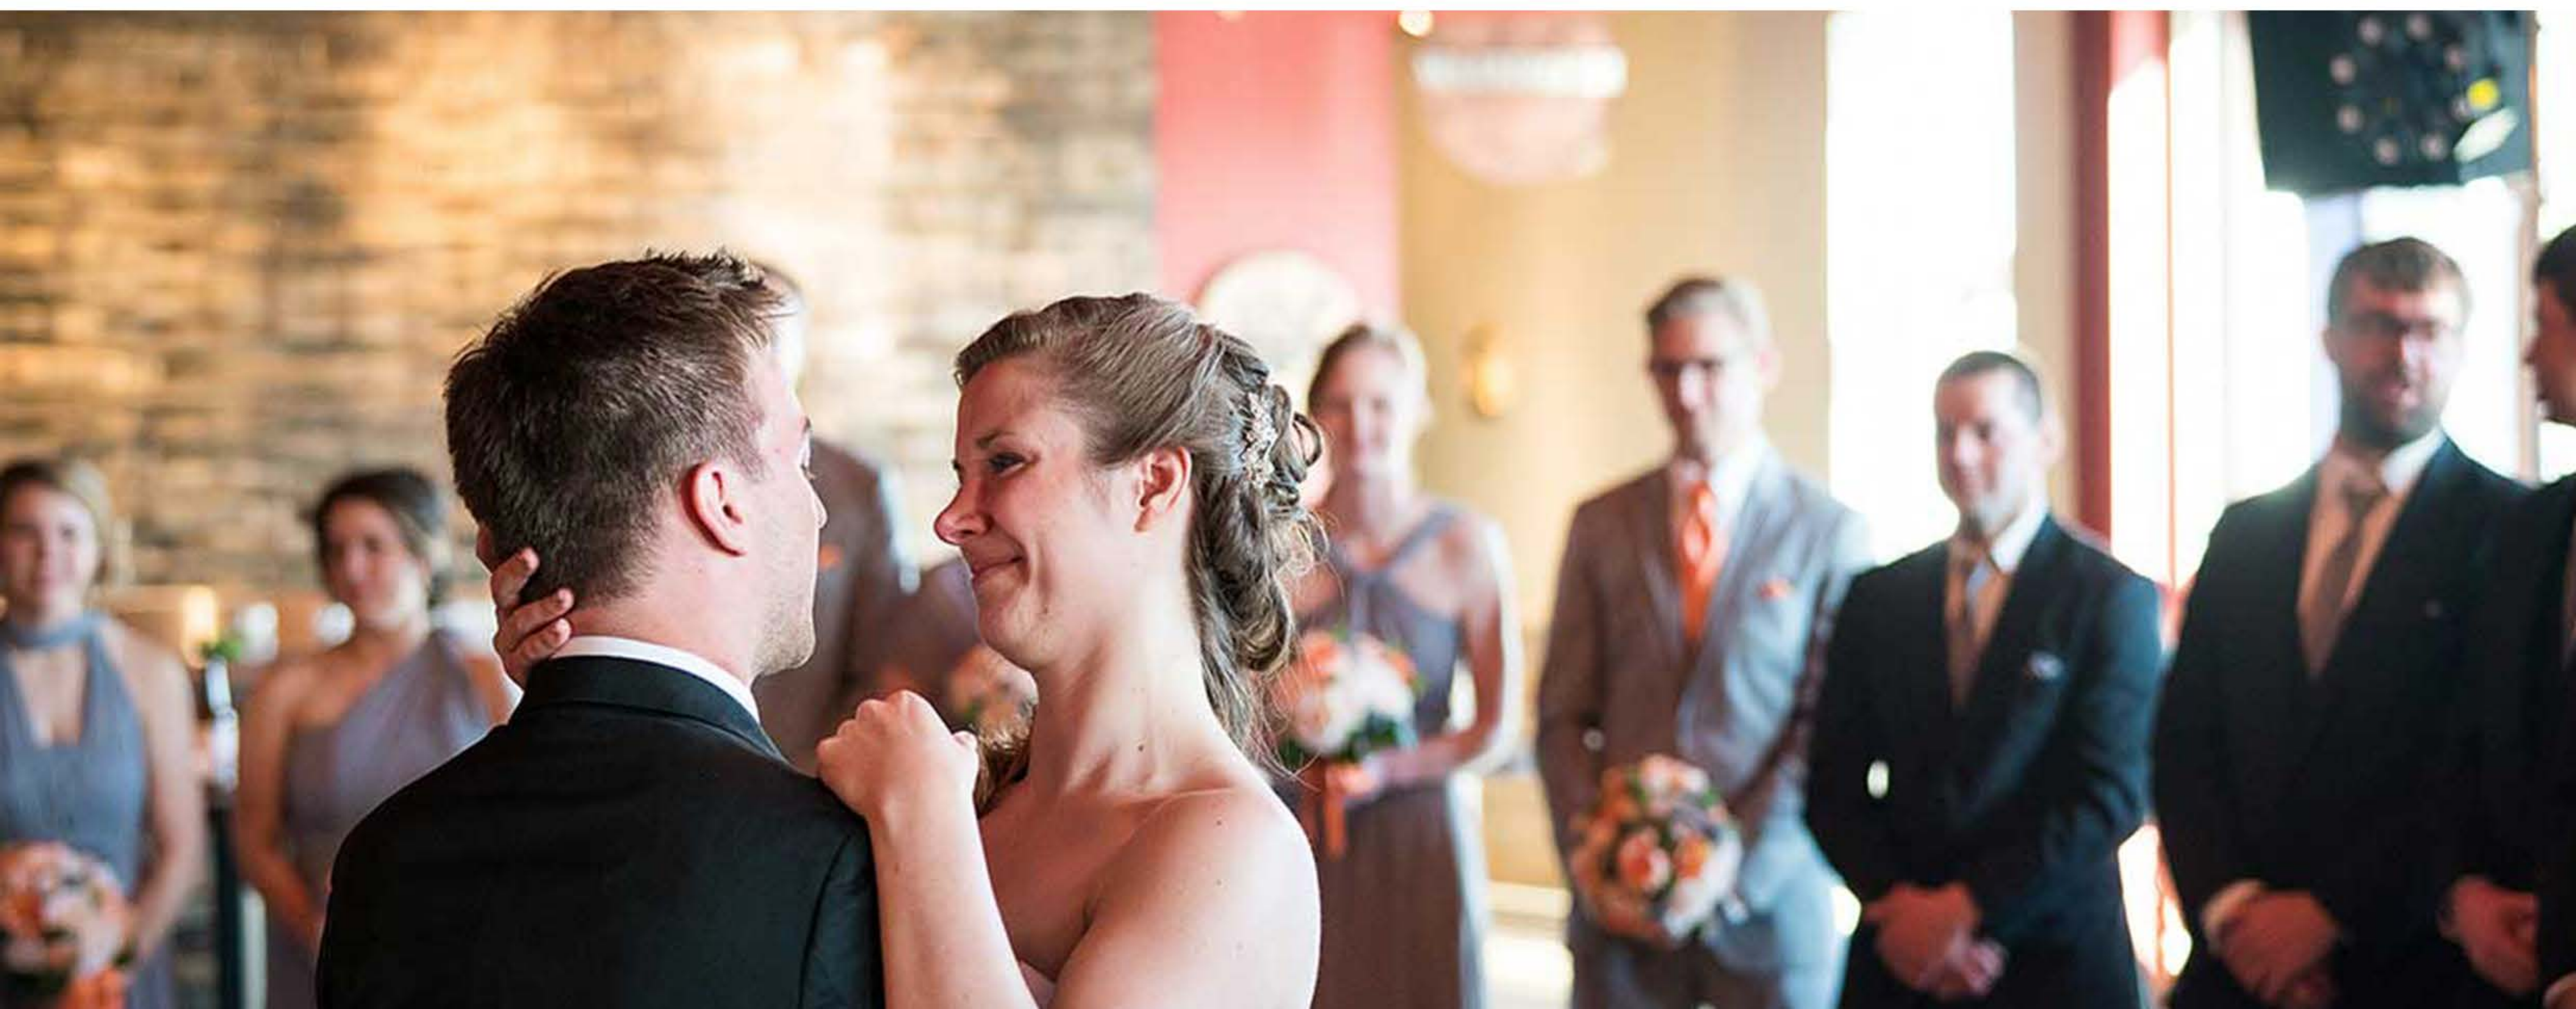

THE ULTIMATE DJ EXPERIENCE

DREAMERS, ADVENTURERS, & LOVERS OF CELEBRATION!

It's great to hear from you! Hopefully we can meet face to face sometime soon. We're so thrilled you're considering us for such an incredible day. The two of you are about to start the most challenging, rewarding, exciting, life-changing journey together, and choosing someone to keep your celebration effortless & memorable is an important decision. Not only is it crucial for you to find someone whose work you love, we also believe it's just as important you find someone who will bring out the best in everyone on your dance floor!

We're not like the DJs you've likely seen at other weddings. This is what we do differently to make your wedding a truly amazing experience:

1. Marquee-level DJs that use their turntable skills to elevate the musical experience on your dance floor like no other. Imagine a classy, high-end night club experience that brings the energy to the next level!
2. Your event is led by a broadcast-grade Master of Ceremonies who is charismatic & endearing.
3. Detailed planning, and ultra-personalization. Your wedding is carefully tailored to you. This goes far beyond learning your names! It's about having a detailed plan that takes away the "stress of the unknown" while crafting an authentic emotional connection between you, your guests, and each moment.
4. Dedicated teams. After booking, you get to meet and work with your DJ team up front. Want to meet your DJ team before booking? Just ask!
5. An experience like nothing else - To us, your wedding is bigger, and more important, than the Super Bowl. It's truly a once-in-a-lifetime event, and we will treat it as such.

BOOKING

Receptions

Your wedding is as unique as the two of you. We work with every couple to create individual packages that fit them perfectly. That said, these core options will give you a starting point based on our most popular customer requests.

SOLAR FLARE | \$9495 (Alton)

We are the first in Northeast Wisconsin to offer an EPIC service like this. For the celebration with ZERO compromises. This includes everything we do under the sun. We're talking reception, ceremony, uplighting, photobooth, dancing on a cloud, monogram, and much, much more. See our website for further details.

BRILLIANCE & LUMINANCE | \$4795 (Tyler) | \$5795 (Alton)

MAKE A STATEMENT! These two options are our larger lighting & production options for weddings where the dance floor is the focus. The Brilliance is our "rock star" package, and the Luminance is our "immersive elegance". Both are rare ambient delights that must be experienced to be appreciated. **-our signature looks!**

AURORA | \$3795 (Tyler) | \$4795 (Alton)

Our most popular option to compliment the majority of weddings in both price & style. Aurora provides the essentials of our Luminance package for smaller venues & events.

EMBER | \$3295 (Tyler) | \$4295 (Alton)

For historic or rustic settings when less is more. Ember perfectly compliments the look of a space that already has ample character for when you want to preserve the ambiance of your venue.

Options

Here are the most popular finishing touches couples add to the reception packages on the previous page to complete the wedding day experience.

CEREMONY COVERAGE | \$595 - \$895

MORE THAN JUST PLAYING MUSIC. Our “invisible” ceremony coverage provides: sound reinforcement, production, coordination, and music. Our philosophy is that the sound & music should feel like a scene from a movie. Let us help create the magic, while sharing your vows, during the most important part of the day.

PHOTOBOOTH | \$700 - \$1100

With four different photobooth options to choose from, SoundFire DJ offers versatility to get the perfect photobooth for your wedding. Options range from a small, digital-only/environmentally-friendly service, all the way to the full, red-carpet experience!

UPLIGHTING | \$300 - \$1500

THE SINGLE BEST UPGRADE FOR YOUR ROOM DECOR. Make any venue look much more modern & elegant with beautifully done uplighting. We'll work with you to create the right ambiance, with options from accent to full-room design.
